CONGRESSMAN GREG CASAR
TEXAS 35TH DISTRICT

March 28, 2023

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Gregg Manor Water Pump Station Expansion. City of Manor, Travis County, Texas, 35th Congressional District in fiscal year 2024. The entity to receive funding for this project is the City of Manor, located at 105 E. Eggleston St., Manor, TX 78653. The funding would be used to expand pump capacity and add additional water storage in the western portion of Manor. The project is an appropriate use of taxpayer funds because the expansion will provide more stable water pressures which will provide better, more reliable fire flow demands, which is an essential safety consideration given increasingly hot and dry summers.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Casar". The signature is stylized with a large, looping "G" and a long, sweeping underline.
